GUIDED RECRUITMENT

Parkinson's Recruitment Success

BACKGROUND

SubjectWell onboarded a Parkinson's clinical trial already 10 months into recruiting efforts by other third-party vendors. After two months, SubjectWell's original contract for 10 randomizations was extended to 45 total patients. With recruiting success established, the sponsor increased the total number of trial subjects from 120 to 150 patients. By trial close, SubjectWell was responsible for almost 30% of randomizations.
